SECTION C - DESCRIPTION/SPECIFICATIONS/WORK STATEMENT

I. Background

A. The Equal Employment Opportunity Commission (EEOC) is authorized by statute to use the services of State and Local Fair Employment Practices Agencies (FEPAs) to assist it in meeting its statutory mandate to enforce Title VII of the Civil Rights Act of 1964, as amended (Title VII); the Age Discrimination in Employment Act (ADEA) of 1967, as amended; the Americans with Disabilities Act (ADA) of 1990, as amended; and, the Genetic Information Nondiscrimination Act of 2008. The EEOC also recognizes the need to ensure the employment rights of individuals granted by Federal, State, and Local anti-discrimination laws.

B. As part of the Congressional mandate, the EEOC is required to establish an integrated system for a more expeditious resolution of employment discrimination charges. The EEOC has entered into a partnership with the FEPA, herein referred to as the Contractor, for continuous development and enhancement of this system.

II. Scope of Work

A. The Contractor agrees to work with the EEOC in the maintenance and enhancement of a national, integrated employment discrimination law enforcement and charge resolution system by accomplishing various objectives that include, but are not limited to, the following:

1. Implementation by the Contractor of procedures that provide for professional intake of all charges the FEPA initially receives, prompt notification to respondents, resolution of charges on a current basis, determinations supported by evidence, and resolutions with remedies;
2. The training of Contractor personnel in charge processing procedures compatible with those of the EEOC, on an as needed basis;
3. Use by the Contractor of an employment discrimination charge form that, within statutory limitations, is acceptable to the EEOC and the Contractor;
4. Use by the Contractor of processing terminology (such as common language pertaining to types of resolutions) that is the same as or compatible with that used by the EEOC;
5. The development and maintenance of a system to ensure that the EEOC and the Contractor maintain compatible procedural and substantive standards;
6. The identification by the Contractor and the EEOC of legislative changes that may be appropriate for the establishment of integrated and efficient charge processing systems; and

7. Use of an effective case management system, and as applicable, adherence to a Charge Resolution Plan that:
- a. enhances quality and efficiency in the Contractor's charge resolution systems;
 - b. establishes annual charge resolution objectives and provides mechanisms for fixing accountability and measuring progress toward those objectives;
 - c. develops procedures and processes designed to reduce inventories of dual-filed charges that will ensure maintenance of a charge inventory of less than 365 days; and
 - d. ensures that quality standards are met and are commensurate with the EEOC's policies and statutory responsibilities.

B. When an agreement on the above requirements is reached between the Contractor and the EEOC, they must be included as part of the executed Worksharing Agreement. The effective date of the Worksharing Agreement will run concurrently with the effective date of this contract. Upon execution, the Worksharing Agreement dated **September 18, 2012**, is incorporated by reference into this contract.

C. The Contractor and EEOC, as a condition to the maintenance of this contract, shall approve the Worksharing Agreement. Once the Contractor or the EEOC has been designated to process the charge, only the designated party will process the charge. The other party shall refrain from processing the charge pending completion by the initial processor to preclude duplication of effort.

D. The Contractor shall:

1. Implement in partnership with the EEOC, a system that permits each party to perform various functions on behalf of the other, for example, accepting charges for each other, within the statutory limitations; and

2. Commit itself to maintenance of effort. Should the Contractor or the governmental body that provides its funds (a) reduce the Contractor's resources in anticipation of or as a result of the EEOC contract funds, (b) place restrictions on the use of its funds, or (c) revise the Contractor's operating procedures or regulations that impact on its ability to perform under its contract, the EEOC may consider it to be a material breach of this contract and may, among other things, reduce its funding of this contract or require the return of all or a portion of the funds provided by the EEOC under this contract.

E. It is understood and expressly agreed to by both parties to this contract that all provisions of the EEOC's Contracting Principles for State and Local FEPA for Fiscal Year **2013** are incorporated in their entirety into this contract.

III. Statement of Work

Processing of Charges - Title VII Charges, and/or ADEA Charges (if applicable), ADA and/or **GINA Charges** (if applicable):

A. The Contractor shall submit charges to the EEOC for contract credit including, but not limited to, no cause findings, successful settlements, successful conciliations, administrative resolutions, final orders issued following and pursuant to administrative hearings and litigation. The EEOC shall not award any contract credit for resolutions by the Contractor based on no jurisdiction (except in cases where an investigation is actually required to determine jurisdiction) or resolutions based on the charging party's failure to establish a bona fide charge.

B. All charges submitted for credit under this contract shall be completed by the Contractor between **October 1, 2012** and **September 30, 2013** as follows:

1. All charges will be evaluated and determinations made in accordance with the theories of discrimination in employment as developed under Title VII, the ADEA, ADA, and **the GINA**, as appropriate.

2. Investigation and resolution of individual charges pursuant to this contract shall be conducted in a manner designed to effectuate relief for the charging party and shall be carried out as expeditiously as possible.

3. All final actions, litigation, and intake services for which payment is requested under this contract will be processed and awarded contract credit in compliance with the State and Local Handbook, the ADA Technical Assistance Manual for ADA charges, and the Worksharing Agreement.

4. Contract credit submissions will include final dispositions of charges (i.e. final actions). When administrative appeal rights exist, the final disposition of a charge occurs only after the time for appeal has expired or the appeal has been processed to completion. In cases where the administrative appeal has been processed, the date of the notice of the final result of the appeal is the operative date. This applies in all cases where an administrative appeal is provided, whether the case is administratively resolved, dismissed, decided, or when no cause is found. The fifteen-day period during which a Substantial Weight Review may be requested and/or the period during which a Substantial Weight Review is conducted is not considered for the purposes of computing the operative date of the final disposition of a charge.

5. Contract credit submissions that are not final dispositions will include:

a. Charges to be litigated by the Contractor where the EEOC receives copies of the complaints bearing confirmation of the filing dates with the Court, or other appropriate official confirmation of the filing dates of the complaints;

b. Certain types of charges that must be transferred to the EEOC that are not final actions by the Contractor, as specified in the State and Local Handbook and;

c. Intake services by the Contractor where the EEOC accepts for processing a charge initially filed outside the jurisdiction of the Contractor, or any other FEPA, and for which the Contractor has prepared all charge intake documentation, including a complete affidavit, as required by the EEOC. In addition, contract credit for intake services will be given when the EEOC accepts for processing a charge initially filed with but not jurisdictional with the Contractor and the COR determines and justifies that there is a need to service charging parties who live at great distances from an EEOC or FEPA office.

6. Charge resolutions submitted for contract credit pursuant to this contract will be identified by the Contractor by timely and accurate data entries on the EEOC IMS or any successor system, if applicable. Where the Contractor is not on the EEOC IMS or any successor system, charge resolutions submitted for credit pursuant to this contract will be designated in a monthly status report from the Contractor to the COR.

7. All charges will be processed by the Contractor in accordance with the Contractor's applicable State or Local Laws.

8. Contract credit will not be allowed for any charge subject to a processing fee. If such a fee is imposed or implemented during the period of the contract, the contract may be terminated in accordance with Clause 52.249-4, Termination for Convenience of the Government (Services) (Short Form).

9. The Contractor shall preserve all case files and records relevant to all charges or actions until final disposition of such charges or actions by the Contractor and the EEOC and other federal authorities including federal courts.

SECTION D - PACKAGING AND MARKING

Charge/case file material and reports to be furnished to the designated field office shall be through the regular U.S. mail and should be adequately packaged to assure safe delivery to the designated office.

SECTION E - INSPECTION AND ACCEPTANCE

E.1 INSPECTION AND ACCEPTANCE

- A. Inspection and Acceptance shall be made by the COR. Inspection and acceptance shall be made pursuant to the standards set forth in the EEOC's Compliance Manual, and applicable section(s) of the State and Local Handbook.
- B. The COR will ensure that the Contractor maintains performance that is consistent with the criteria and requirements contained herein, as well as in the Substantial Weight Review Procedures and Worksharing Agreements. The EEOC District Office will conduct an on-site evaluation of the investigative and administrative

charge processing procedures of the Contractor as needed. Accordingly, the Contractor is expected to comply with reasonable requests for providing and/or making available information concerning various aspects of their processes and procedures as they relate to or impact on the management and disposition of the dual-filed inventory. Such information includes but is not limited to staffing information, case management printouts, charge processing documentation, and any other material and data as may be related and/or apply to the processing of dual-filed charges or administration of the contract.

SECTION F - DELIVERIES OR PERFORMANCE

F.1 PERIOD OF PERFORMANCE

- A. The period of performance under this contract shall be from **October 1, 2012** through **September 30, 2013**, with two one-year options to extend the term of the contract. (See Section I, 52.217-9 "Option to Extend the Term of the Contract".
- B. The period of performance for Option Period I and Option Period II are as follows:

Option Period I – October 1, 2013 through September 30, 2014

Option Period II – October 1, 2014 through September 30, 2015

F.2 TIME OF DELIVERY/DELIVERABLES

- A. When the Contractor enters a charge in the EEOC computerized Integrated Mission System (IMS) or any successor system the following procedures shall be used. The Contractor will:
 - 1. Make accurate and timely charge data entries in the IMS or successor system, and the Contractor is responsible for ensuring that all appropriate charge information is available for extraction by the collection manager in a timely manner. Charge resolutions submitted for contract credit review will not be accepted for payment if it is determined that any required data entry has not been made by the FEPA. A determination not to award contract credit made may be reversed under the procedures set forth in Section III.B.5.a. of the **FY 2013 Contracting Principles**.
 - 2. Enter basic charge data into the IMS or successor system within five days of the Contractor's receipt of each charge as set forth in Section III.B.5.a of the **FY 2013 Contracting Principles** in order to be eligible to receive contract credit.
 - 3. Provide EEOC with a list of final actions within a time frame agreed upon by the COR and the Contractor, but usually no later than 30 days after the

resolution of each charge to meet the requirement of Section III. B.2 of the FY 2013 Contracting Principles. The Contractor must ensure the timely and accurate entry of data into the IMS or successor system. The COR will generate charge data lists and reports through the IMS or successor system to verify that this requirement is being met throughout the term of this contract.

4. Enter all charge data for contract credit submissions through each quarter not later than the 8th calendar day of the month following each quarter.
- B. When the Contractor is not on the IMS or successor system, the following procedures shall be used. The Contractor will:
1. Submit monthly contract production reports to the COR for review. The monthly reports shall consist of EEOC Forms 322 - FEPA Performance Report and 472 - FEPA Charge List. Upon award of the contract, the monthly reports must be received by the COR not later than the 8th calendar day of the month following each month.
 2. Furnish to the COR, separate written reports as may be expressly required.
 3. Provide the EEOC with a list of charge resolutions with respect to dual-filed charges within a time frame agreed upon with the COR, but no later than thirty (30) days after the charge resolution dates. The lists of charge resolutions will be provided on EEOC Form 472. After receipt of the lists, and when requested by the COR, the Contractor will forward all charge file information, or a copy of such information, within five workdays of the requests. The COR may extend or reasonably alter the five-day time frame as deemed necessary and appropriate (For non-certified Contractors, file information must be submitted within five days of submission of the Form 472/resolution listing unless the time frame is extended or otherwise modified by the COR). Failure to timely submit reports and charge file information will result in the denial of contract credit for the affected resolutions.
 4. The Contractor must make timely and accurate submission to the EEOC of EEOC Form 322 and EEOC Form 472. All reports covering the first three quarters of the FY 2013 contract must be received by the EEOC prior to September 30, 2013.

WORKSHARING AGREEMENT

BETWEEN

Philadelphia Commission on Human Relations
(full name of FEPA)

and

THE U.S. EQUAL EMPLOYMENT OPPORTUNITY COMMISSION
Philadelphia
(Name Of District Office)

FOR FISCAL YEAR 2013

I. INTRODUCTION

1. The Philadelphia Commission on Human Relations, hereinafter referred to as the FEPA, has jurisdiction over allegations of employment discrimination filed against employers of one or more employees occurring within Philadelphia based on race, color, sex, religion, national origin, disability, age, ancestry, ethnicity, sexual orientation, gender identity, familial status, marital status, genetic information, domestic or sexual violence victim status or retaliation, pursuant to the Fair Practices Ordinance, Section 9-1100 et. seq. of the Philadelphia Code.

The U.S. Equal Employment Opportunity Commission, hereinafter referred to as the EEOC, has jurisdiction over allegations of employment discrimination occurring throughout the United States where such charges are based on race, color, religion, sex, or national origin, all pursuant to Title VII of the Civil Rights Act of 1964, as amended (42 U.S.C. § 2000(e)) (hereinafter referred to as Title VII). The EEOC has jurisdiction to investigate and determine charges of discrimination based on age (40 or older) under the Age Discrimination in Employment Act of 1967, as amended (29 U.S.C. § 621 et. seq.) (ADEA), for unequal wages based on sex under the Equal Pay Act of 1963, as amended (29 U.S.C. § 206) (EPA), and over allegations of employment discrimination based on disability pursuant to Title I of the Americans with Disabilities Act of 1990, as amended (42 U.S.C. § 12101) (ADA), and over the use or acquisition of genetic information as the basis for employment decisions pursuant to Title II of the Genetic Information Nondiscrimination Act of 2008.

- B. In recognition of, and to the extent of the common jurisdiction and goals of the two (2) Agencies, and in consideration of the

mutual promises and covenants contained herein, the FEPA and the EEOC hereby agree to the terms of this Worksharing Agreement, which is designed to provide individuals with an efficient procedure for obtaining redress for their grievances under appropriate Philadelphia and Federal laws.

II. FILING OF CHARGES OF DISCRIMINATION

- A. In order to facilitate the assertion of employment rights, the EEOC and the FEPA each designate the other as its agent for the purpose of receiving and drafting charges, including those that are not jurisdictional with the agency that initially receives the charges. The EEOC's receipt of charges on the FEPA's behalf will automatically initiate the proceedings of both the EEOC and the FEPA for the purposes of Section 706 (c) and (e) (1) of Title VII. This delegation of authority to receive charges does not include the right of one Agency to determine the jurisdiction of the other Agency over a charge. Charges can be transferred from one agency to another in accordance with the terms of this agreement or by other mutual agreement.
- B. The FEPA shall take all charges alleging a violation of Title VII, the ADEA, the EPA, GINA or the ADA where both the FEPA and the EEOC have mutual jurisdiction, or where the EEOC only has jurisdiction, so long as the allegations meet the minimum requirements of those Acts, and for charges specified in Section III. A. 1. below, refer them to the EEOC for initial processing.
- C. Each Agency will inform individuals of their rights to file charges directly with the other Agency and or assist any person alleging employment discrimination to draft a charge in a manner that will satisfy the requirements of both agencies to the extent of their common jurisdiction.
- Normally, once an agency begins an investigation, it resolves the charge. Charges may be transferred between the EEOC and the FEPA within the framework of a mutually agreeable system. Each agency will advise Charging Parties that charges will be resolved by the agency taking the charge except when the agency taking the charge lacks jurisdiction or when the charge is to be transferred in accordance with Section III (DIVISION OF INITIAL CHARGE-PROCESSING RESPONSIBILITIES).
- D. For charges that are to be dual-filed, each Agency will use EEOC Charge Form 5 (or alternatively, an employment discrimination charge form which within statutory limitations, is acceptable in form and content to the EEOC and the FEPA) to draft charges. When a charge is taken based on disability, the nature of the disability shall not be disclosed on the face of the charge.
- E. Within ten calendar days of receipt, each Agency agrees that it will notify both the Charging Party and the Respondent of the dual-filed nature of each such charge it receives for initial processing and explain the rights and responsibilities of the parties under the applicable Federal, State, or Local statutes.

III. DIVISION OF INITIAL CHARGE-PROCESSING RESPONSIBILITIES

In recognition of the statutory authority granted to the FEPA by Section 706(c) and 706(d) of Title VII as amended; and by Title I of the Americans with Disabilities Act, and the transmittal of charges of age discrimination pursuant to the Age Discrimination in Employment Act of 1967, the primary responsibility for resolving charges between the FEPA and the EEOC will be divided as follows:

A. The EEOC and the FEPA will process all Title VII, ADA, GINA, and ADEA charges that they originally receive.

1. For charges originally received by the EEOC and/or to be initially processed by the EEOC, the FEPA waives its right of exclusive jurisdiction to initially process such charges for a period of 60 days for the purpose of allowing the EEOC to proceed immediately with the processing of such charges before the 61st day.

In addition, the EEOC will initially process the following charges:

-- All Title VII, ADA, and concurrent Title VII/ADA charges jurisdictional with the FEPA and received by the FEPA 240 days or more after the date of violation;

-- All disability-based charges that may not be resolved by the FEPA in a manner consistent with the ADA.

-- All concurrent Title VII/EPA charges;

-- All charges against the FEPA or its parent organization where such parent organization exercises direct or indirect control over the charge decision-making process;

-- All charges filed by EEOC Commissioners;

-- Charges also covered by the Immigration Reform and Control Act;

-- Complaints referred to the EEOC by the U.S. Department of Justice, Office of Federal Contract Compliance Programs, or Federal fund-granting agencies under 29 CFR § 1640, 1641, and 1691.

-- Any charge where the EEOC is a party to a Conciliation Agreement or a Consent Decree that, upon mutual consultation and agreement, is relevant to the disposition of the charge. The EEOC will notify the FEPA of all Conciliation Agreements and Consent Decrees that have features relevant to the disposition of subsequent charges;

-- Any charge alleging retaliation for filing a charge with the EEOC or for cooperating with the EEOC; and

-- All charges against Respondents that are designated for initial processing by the EEOC in a supplementary memorandum to this Agreement.

2. The FEPA will initially process the following types of charges:

-- Any charge alleging retaliation for filing a charge with the FEPA or cooperating with the FEPA;

-- Any charge where the FEPA is a party to a Conciliation Agreement or a Consent Decree that, upon mutual consultation and agreement, is relevant to the disposition of the charge. The FEPA will provide the EEOC with an on-going list of all Conciliation Agreements and Consent Decrees that have features relevant to the disposition of subsequent charges;

-- All charges that allege more than one basis of discrimination where at least one basis is not covered by the laws administered by the EEOC but is covered by the FEPA Ordinance, or where the EEOC is mandated by federal court decision or by internal administrative EEOC policy to dismiss the charge, but the FEPA can process that charge.

-- All charges against Respondents that are designated for initial processing by the FEPA in a supplementary memorandum to this Agreement; and

-- All disability-based charges against Respondents over which the EEOC does not have jurisdiction.

B. Notwithstanding any other provision of the Agreement, the FEPA or the EEOC may request to be granted the right to initially process any charge subject to agreement of the other agency. Such variations shall not be inconsistent with the objectives of this Worksharing Agreement or the Contracting Principles.

C. Each Agency will on a quarterly basis notify the other of all cases in litigation and will notify each other when a new suit is filed. As charges are received by one Agency against a Respondent on the other Agency's litigation list a copy of the new charge will be sent to the other Agency's litigation unit within working days.

IV. EXCHANGE OF INFORMATION

A. Both the FEPA and the EEOC shall make available for inspection and copying to appropriate officials from the other Agency any information that may assist each Agency in carrying out its responsibilities. Such information shall include, but not necessarily be limited to, investigative files, conciliation agreements, staffing information, case management printouts, charge processing documentation, and any other material and data as may be related to the processing of dual-filed charges or administration of the contract. The Agency accepting information

agrees to comply with any confidentiality requirements imposed on the agency providing the information. With respect to all information obtained from the EEOC, the FEPA agrees to observe the confidentiality provisions of Title VII, the ADEA, the ADA and GINA.

- B. In order to expedite the resolution of charges or facilitate the working of this Agreement, either Agency may request or permit personnel of the other Agency to accompany or to observe its personnel when processing a charge.

V. RESOLUTION OF CHARGES

- A. Both agencies will adhere to the procedures set out in the EEOC's State and Local Handbook, including current revisions thereto.
- B. For the purpose of according substantial weight to the FEPA final finding and order, the FEPA must submit to the EEOC copies of all documents pertinent to conducting a substantial weight review; the evaluation will be designed to determine whether the following items have been addressed in a manner sufficient to satisfy EEOC requirements; including, but not limited to:
 - 1. jurisdictional requirements,
 - 2. investigation and resolution of all relevant issues alleging personal harm with appropriate documentation and using proper theory,
 - 3. relief, if appropriate,
 - 4. mechanisms for monitoring and enforcing compliance with all terms of conciliation agreements, orders after public hearing or consent orders to which the FEPA is a party.
- C. In order to be eligible for contract credit and/or payment, submissions must meet all the substantive and administrative requirements as stipulated in the Contracting Principles.
- D. For the purposes of determining eligibility for contract payment, a final action is defined as the point after which the charging party has no administrative recourse, appeal, or other avenue of redress available under applicable State and Local statutes.

VI. IMPLEMENTATION OF THE WORKSHARING AGREEMENT

- A. Each agency will designate a person as liaison official for the other agency to contact concerning the day-to-day implementation for the Agreement. The liaison for the FEPA will be Rue Landau, Executive Director. The liaison official for the EEOC will be Natasha Abel.
- B. The agencies will monitor the allocation of charge-processing responsibilities as set forth in the Agreement. Where it appears that the overall projection appears inappropriate, the

appropriate portions of this Agreement will be modified to ensure full utilization of the investigation and resolution capacities of the FEPA and rapid redress for allegations of unlawful employment discrimination.

- C. The EEOC will provide original forms to be copied by the FEPA, in accordance with the Regulations and the Compliance Manual to be used by the FEPAs in correspondence with Charging Parties and Respondents.
- D. If a dispute regarding the implementation or application of this agreement cannot be resolved by the FEPA and District Office Director, the issues will be reduced to writing by both parties and forwarded to the Director of the Office of Field Programs for resolution.
- E. This Agreement shall operate from the first day of October 2012 to the thirtieth day of September 2013 and may be renewed or modified by mutual consent of the parties.

I have read the foregoing Worksharing Agreement and I accept and agree to the provisions contained therein.

SUPPLEMENTARY INFORMATION: The Equal Employment Opportunity Commission

last published its Privacy Act systems notices in 1994. The Commission proposes four new systems of records to cover, in two cases, new programs that will collect individually identifiable records and, in the other two cases, existing records that through the use of information technology have become individually identifiable. In addition, the Commission is amending several of its systems to include additional categories of individuals or of records. The Commission is adding two new routine uses to its two private sector case files systems and four new routine uses to its government-wide system of records covering federal sector complaint and appeal records. Finally, the Commission has amended several system notices to reflect current office names and has amended Appendix A to reflect current addresses of Commission offices. To ensure that users will have a copy of the current text of each of its system notices, the Commission is publishing the complete text of all of its systems notices.

A brief description of the major changes follows:

EEOC-1 Age and Equal Pay Act Discrimination Case Files. A new category of individuals was added to cover individuals who file complaints under section 321 of the Government Employees Rights Act of 1991.

EEOC-1 Age and Equal Pay Act Discrimination Case Files and EEOC-3 Title VII and Americans With Disabilities Act Discrimination Case Files. Two new routine uses are proposed for each system. One would permit disclosure of information to officials of state or local bar associations or disciplinary boards or committees when they are investigating complaints against attorneys in connection with their representation of a party before EEOC. The proposed routine use in EEOC-3, the Title VII and ADA case files system, is limited to disciplinary boards or committees under the control of a state or local government because these files are covered by the confidentiality provisions contained in Title VII, 42 U.S.C. 2000e-5(b) and 8(e), and may not be disclosed to members of the public. Officials of state or federal governments are not members of the public. The second new routine use would permit disclosure of information to federal officials in connection with hiring, issuing a security clearance, or conducting a background check. The Commission has determined that these proposed routine uses are compatible with the law enforcement purpose of the systems of records.

EEOC-5 General Correspondence Records. The system of records was

amended to cover all correspondence and communications, by letter, phone call, or email, throughout the agency to reflect the use of computerized tracking systems in many offices.

EEOC-7 Employee Pay and Leave Records. Routine use i was amended to replace the General Services Administration with the Department of Interior. EEOC has switched its pay and leave system administration from the General Services Administration to the Department of the Interior.

EEOC-8 Employee Travel and Reimbursement Records. Routine use e was amended to replace the General Services Administration with the Department of Interior. EEOC has switched its financial management administrative services from GSA to the Department of the Interior.

EEOC-9 Claims Collection Records. Routine use j was amended to replace the General Services Administration with the Department of Interior. EEOC has switched its financial management administrative services from GSA to the Department of the Interior.

EEOC-12 Telephone Call Detail Records. The categories of individuals and records were amended to include U.S. government phone card holders and phone card records, including billing records.

EEOC-13 Employee Identification Cards. The categories of records was amended to cover proximity card lists and records throughout the agency, where applicable. The system was previously limited to Headquarters proximity card holders.

EEOC-15 Internal Harassment Inquiries. The Commission approved an internal order governing investigations of allegations of harassment made by EEOC employees. This new system of records covers current or former EEOC employees' complaints or reports of harassment, witness statements, reports of interviews, findings and recommendations, decisions and corrective actions taken and related correspondence and exhibits. Nine routine uses are proposed for the system. In addition, it is proposed to exempt this system from certain provisions of the Privacy Act pursuant to section (k)(2) of the Act. A Notice of Proposed Rulemaking is published separately in today's Federal Register proposing amendments to EEOC's Privacy Act regulations that describe this exemption.

EEOC-16 Office of Inspector General Investigative Files. The Office of the Inspector General has reorganized its filing system and will be maintaining its investigative files by the name of the individuals who are subjects of

investigations by the Office relating to the programs and operations of the EEOC. The Commission is adding a system of records covering those files. Six routine uses are proposed for the new system. In addition, it is proposed to exempt this system of records from certain provisions of the Privacy Act pursuant to sections (j)(2) and (k)(2) of the Act. A Notice of Proposed Rulemaking is published separately in today's Federal Register proposing amendments to EEOC's Privacy Act regulations that describe those exemptions.

EEOC-17 Defensive Litigation Files. The Commission's Office of Legal Counsel has upgraded its computerized tracking system and filing system covering its defensive litigation files and has created a set of files containing testimony, affidavits and declarations given by individuals during EEOC's defense of lawsuits brought against the agency. Consequently, the Commission is adding a system of records covering the Office of Legal Counsel's defensive litigation files. The system covers all documents related to civil or administrative litigation brought against the Commission, which are retrievable by the name of the individual who filed the litigation or the name of the individual witnesses who gave testimony, affidavits or declarations during the course of such litigation. Five routine uses are proposed for the new system.

EEOC-18 Reasonable Accommodation Records. The Commission has issued an internal order establishing procedures for providing reasonable accommodation for individuals with disabilities under the Rehabilitation Act of 1973. This new system of records covers all current and former EEOC employees and applicants' requests for reasonable accommodations, medical records, notes or records made about requests, decisions on requests and records made to implement or track decisions on requests. Four routine uses are proposed for the system.

The proposed routine uses in the four new systems of records noted above meet the compatibility criteria since the information involved is collected for the purpose of the applicable routine uses. We anticipate that any disclosure pursuant to these routine uses will not result in any unwarranted adverse effects on personal privacy.

EEOC/GOVT-1 Equal Employment Opportunity in the Federal Government Complaint and Appeal Records. The two routine uses proposed to be added to EEOC-1 and EEOC-3, permitting disclosure to bar associations or

disciplinary boards and to federal agencies when hiring, or conducting background checks or security clearances are proposed to be added to this system as well. They are described in greater detail above. In addition, the Commission proposes to add a new routine use permitting disclosure of information to employees of contractors engaged by an agency to carry out the agency's responsibilities under 29 CFR part 1614. Finally, the Commission proposes to add a new routine use permitting disclosure of information to potential witnesses during the course of an investigation, as may be appropriate and necessary to perform the agency's functions under 29 CFR part 1614. The Commission has determined that these four proposed routine uses are compatible with the law enforcement purpose of the system of records.

A complete list of all EEOC systems of records is published below. The complete text of the notices follows.

reports to the President and Congress on the activities of the Inspectors General.

The Commission proposes to add a new system of records, EEOC-19, Revolving Fund Registrations. The Commission's Revolving Fund was established by Congress to permit EEOC to provide equal employment opportunity training and technical assistance at cost to employers and individuals and use the proceeds for further training and technical assistance. The Revolving Fund proposes to keep a database of information about the persons who have attended its training or technical assistance programs. The registration information is used by Revolving Fund staff for the program in connection with which it was received and for mailings about future programs. Three routine uses are proposed for the new system.

The Commission also proposes to add a new system of records, EEOC-20, RESOLVE Program Records. RESOLVE is EEOC's internal alternative dispute resolution program. The RESOLVE Program provides a forum to EEOC employees for the informal resolution of a variety of workplace disputes as an alternative to the procedures that employees traditionally use to resolve disputes, such as the EEO complaint process and the negotiated and administrative grievance procedures. RESOLVE covers a variety of common workplace disputes and issues, such as terms and conditions of employment, requests for reasonable accommodation and allegations of employment discrimination. Three routine uses are proposed for this new system.

The proposed routine uses for EEOC-16, Office of Inspector General Investigative Files, and the two proposed new systems of records meet the compatibility criteria since the information involved is collected for the purpose of the applicable routine uses. We anticipate that any disclosure pursuant to those routine uses will not result in any unwarranted adverse effects on personal privacy.

Finally, the Commission has amended Appendix A to reflect the current names and addresses of its offices in the field.

For the Commission,
Luis M. Dominguez,
Chair.
